SARATOGA'S RICH PROGRAM

STAKE LIST FOR YEAR 1910 REMINDER OF THE AFFLUENT DAYS OF TURF.

Offerings for Coming Meeting at the Spa More Pretentious Than Those of Any Other Eastern Association.

New York, March 4.—For the coming season of racing at Saratoga the stake offerings are more liberal tian those of any other eastern racing association. It has been amnounced before that the Saratoga Association would distribute \$250,000 among the horsemen in the month of August, but it was not until tonight that the complete stake list was given out. The list is one that suggests the most prosperous times of racing and is one that is sure to meet with a bearty response from horsemen. For horses three years old and over the stakes are: Saratoga Handicap, \$7,500 guaranteed; mile and a

In addition to these stakes the Saratoga Association has already closed the Hopeful, which will be worth something in excess of \$20,000, the United States Hotel Stakes, the Grand Union Hotel Stakes and the Spinaway Stakes, the last named for fillies. All of these stakes are for the two-year-olds. The important additions to the fixtures of former seasons are the Rensselaer Handicap and the Hurricana Stakes. Other new ones in the list are the Schenectady, the Vassar and the Wellesley.

These stakes will all close March 28, and at a later date four steeplechase fixtures will be added.

COLT LIFTS WIDOW'S MORTGAGE

Following the winning of Tuesday's two-year-old race at Tampa by Ortega, the Tampa Tribune printed the following interesting statement:

"When the news trickled into a small town up in Virginia yesterday afternoon that Ortega, J. T. Temple's smart two-year-old, had won the first race, the sun shone for the first time in many months in one humble home. Sired by one of the most remarkable horses that ever felt the racing frenzy crowding through his veins in a stretch duel, this colt ran a wonderful race, one well worthy of his illustrious sire—Sidney Lucas. In the running a home was saved, a poverty-stricken widow was freed from debt and in a few days the mortgage that has hung over her one possession on earth will be raised. The horse was entered in Temple's name. Before coming to Tampa the animal was turned over to him by a woman living some distance from his home near Richmond. Fire had destroyed the sawmill, cholera killed the stock and the colt was the last thing left. Temple loaned the woman \$7, and later gave her additional money and agreed to race the horse for her. The colt won at 10 to 1 and there was a sing wager down on her in handbooks, Temple said last night, when asked how much he cleaned up, with a knowing look: 'Well, I guess there'll be enough to pay off that mortgage.''

SOMETHING OF TURRET'S BREEDING.

Turret, winner of this year's renewal of the California Derby, is the result of mating a high-class, well-bred race borse with a mare of similar grade. His dam, Tower of Candles, won during her turf career eighteen races and carned \$12.665. She was a right good two-year-old, winning \$6,450 at that age. Tower of Candles is by Candlemas, sire of Irish Lad, the Futurity winner, Martimas, and other good racers, and out of Duchess of Towers, by Algoria, The latter won the Belmont Stakes back in 1876, and one of his daughters is the dam of The Canlish Derby winner, Orby, and the One Thousand Guinneas winner. Rhodora.

Turret's great-granddam, the mother of Duchess of Towers is the English-bred mare, Presto, by the Derby winner, Pretender; and she runs back to the Barton Barb mare. Tower of Candles was nine years old when Turret was foaled. The California Derby winner's sire, Cunard, won the National Stallion race and other stakes when he was racing in the colors of Green B. Morris, and is a son of Goldfinch and the great race mare, Lacania, by Sir Modred, she out of School Girl, half-sister to the Suburban Handicap winner, Tronbadour, and the stake winners.

Turret will be brought east at the close of the Oak-land meeting. California turfmen think that he is the best coast-bred Derby winner seen there since the days of Dr. Leggo.

CORRECTION OF CATROKE'S ODDS.

The closing odds against Catroke in race 88337 at teksonville Thursday should have read 11-5. In her respects the odds were correctly printed.

THIRTY LEADING MONEY-WINNING HORSES

Winter racing of the present affords no opportunity for the amassment of any particularly striking sum by any of the horses. In the list of thirty principal winners there is no remarkable disparity between the winnings of the leader and the tailender. To the hardy and consistent old Himyar gelding, Charlie Eastman, belongs the credit of leadership of the horses of 1910 and he is a credit to the famons family to which be belongs. Pulka, despite inconsistent jacing, has done well and is in second place. It is noticeable that the first five horses are Jacksonville winners, then comes Glorio as the leader at Juarez, followed by Silver Knight as the leader at Oakland. A year back Oakland horses would have led away off. The thirty leaders of the year are now as follows: Sts. 1st . 2d. 3d Uno Won

Jacksonville, Fla., March 4.—It was an ordinary card that was decided at Monereif Park this afternoon, and in all but the closing dash the winners won with plenty in reserve. With the track in its present condition owners are not anxious to send good horses to the post. Despite the poor caliber of the fields four of the purses were taken by favorites, three of which were at odds-on in the betting. Henry McDaniel furnished the winner of the two-year-old race in R. L. Thomas' Fruitful, which made a runaway affair of the three-eighths dash. The same trainer followed up his success in the opener by saddling the winner of the second race in the fast sprinter, Carroll, an especially good racer in heavy going.

John Griffin II, added another to his list of vietories here by easily beating his opposition in the fourth race and his stable companion, Joe Rose, captured the following purse. Jockey Vincent Power's rode three winners.

The halter men were again active. After Forty Four won the third race John Powers, trainer for H. L. Shaw, promptly boosted him \$300 over his entered price and secured the colt for \$800. The Memphis turfman, J. W. Schorr, took a hand in the boosting himself after Joe Rose won the lifth race and bought him for \$1,200, which was an advance of \$300 over his entered price. Joe Rose won the lifth race and bought him for \$1,200, which was an advance of \$300 over his entered price. Joe Rose has changed hands four times in the past few weeks. Booger Red ran in the name of the Budwelser Stable today, two local men named F. H. Robinson and F. K. Gardner having purchased him this morning for \$2,000.

There were several arrivals from different points this afternoon, John O'Neill, afternoon, John O'Neill, father of jockey Frank O'Neill, at present riding in France, came over from Tampa. He is on his way home to St. Louis. Captain Tobin, of the Pinkerton service, stopped over on his way north from Juarez and E. E. Smathers and a party of New Yorkers, who are on their way south on a fishing trip, visited the track.

M. J. Shannon will leave for Memphis tomorrow and Fred W. Gerhardy, who has been appointed racing secretary and associate judge at Jamestown, left tonight for Nashville. He will return in a few days to solicit the shipment of stables to Norfolk.

G. D. Chase purchased Tivolini after the races from F. J. Pons. He will be shipped to Toronto with other horses that Mr. Chase has purchased here and will be schooled over the jumps.

MODERN MACHINES FOR LATONIA.

Cincinnati, O., March 4.—Captain C. A. Tilles is figuring on securing modern machines for the parimutuel betting at the coming Latonia meeting and has placed an order in France for several of the totalizators that have become so popular on the various big race tracks in that country. This machine records with every ticket sold the totals on each horse and by a very little calculation a bettor can tell in an instant just what odds he is getting against his favorite. If the machines can be secured in time for the coming meeting at the Kenton County track, three of these totalizators will be installed for the various kinds of betting, one for winning tickets, another for place and the other for show.

The new owner of the Latonia track has faith in the mutuel system of betting and believes Cincinnati turf-goers will like the system as soon as they are fully educated and are offered all the latest improvements that have proven popular in France, South America and other foreign countries.

"I intend to have all that France has in this line," Captain Tilles said when he bought the Latonia stock from his associates, "and I believe that in the end the mutuel system of betting will prevail at all the tracks in this country. The bookmarker is passing and though I was once heavily interested in that direction, I realize that the star of the layers is about to set. The mutuel form of betting is between the public and that is the reason it is forcing out bookmaking. One represents racing as a sport, the other as a business. I am figuring on dropping some money in living up to Kentucky racing laws at Latonia the coming spring and perhaps at some succeeding other early future meeting there, but if horsemen will give me the proper support, I predict that racing at Latonia will be a success in the end under the auction and mutuel pool system of wagering."

BROOKLINE COUNTRY CLUB'S PROGRAM.

New York, March 4.—Conditions for the two-days meeting of the Country Club of Brookline, Mass., have been announced by the clerk of the course, Frank J. Bryan. The Country Club easily leads the other amateur and hunt club meetings in its sport, and the racing to be conducted Wednesday, June 15, and Friday, June 17, will constitute the twenty-ninth annual race meeting of the famous old club. Seven races are to be run each day and the prizes that are offered compare well with the purses of the meetings on the big circuit. The Challenge Cup, the oldest lixture of the Country Club, and a race that has been won by several horses that afterward distinguished themselves in more pretentious company, had its first running in 1892, when it was won by F. H. Prince's Sherod. For the running this year the race is a steeplechase at about two miles and a half, and in addition to the trophy, which must be won three times by the same owner, will have a guaranteed value of \$600. The richest fixture of the two days racing is the Country Club Grand Annual Steeplechase, which has a guaranteed value of \$2,000, including a cup of \$250, to the winner. The Brookline Haadicap Steeplechase is worth \$1,500 in guaranteed money, and the value of the National Hunt Cup is \$1,000 guaranteed, with a \$500 cup. The Myopia Hunt Cup and the Middlesex Hunt Cup each have a value of \$750, and the other races run from \$400 to \$200 in value. There will be a preliminary closing of the Brookline Steeplechase and the Country Club Grand Annual March 28, while the final closing for all races is fixed for May 21.

TEST CASE IN TEXAS ARGUED.

Austin, Tex., March 4.—The validity of the law passed at the last session of the legislature prohibiting betting on horse races is involved in the case of Jack Walsh, which was submitted to the State Court of Criminal Appeals yesterday. OUTSIDERS WIN OAKLAND RACES.

San Francisco, Cal., March 4.—Long-priced horses took most of the purses at Oakland today. Upsets commenced with the first race, when Lady Rensselaer won at odds of 20 to 1. Palo Chiqueto was favorite, but failed to cut any figure. Edda was the only favorite to score. She was outrun in the early stages, but closed with a rush to pass Vague in the last few strides. Blacksheep, starting for the first time in the colors of Matt Reis, took the third race. He was well supported by als stable connections. Illusion, another outsider, led all the way in the fourth.

J. R. Laughrey got up in time to win the fifth by a neck from Dr. Downie. The latter was much the best. He was tangled up at the start and jockey Gargan afterwards got him cut off. There were several supposed good things in the maiden race which closed the card, among them Braxton. Clara Sal won all the way.

Hannibal Bey was claimed by F. M. Hopper for \$350.

J. McManus has sold Vague to E. G. Soule.

A carload of horses is due from Juarez. Frank Farrar is bringing McNally, C. J. Cox Kinfolks, Meddling Hannah, Beau Man and Billy Bard. C. O. Reed has The Sicker and A. Greenleve Tiflis.

Jockey T. Rice is an arrival from Juarez.

J. M. Sallling has turned Goldway over to T. Breetlove.

Mechant has been shipped to the southern part of the state to be turned out on W. D. Millard's ranch near Los Angeles until fall.

Jockey Molesworth will permit jockey Taplin to accept outside mounts on Monday next.

Texas within a few days to ride for Johnson C. Gray.

The stewards will permit jockey Taplin to accept outside mounts on Monday next.

SISTER TO FLYING SQUIRREL FOALED.

Lexington, Ky., March 4.—The first foal of the year at Irving H. Wheateroft's St. James Stud came last night. It is a sister to Flying Squirrel, by Cesarion—Katle W. Flying Squirrel was the best two-year-old in the string of R. L. Thomas last year, he having won ten races and \$9,270 in eighteen starts, being only once out of the money. Like Flying Squirrel this filly is chestnut in color, and Superintendent Dave Peel says she greatly resembles her brother. Mr. Wheateroft left Victoria, B. C., for Kentucky this morning. He has been traveling in the south and west for the past two months.

RADTKE TO RETURN TO RUSSIA.

Jockey Herman Radtke has signed a contract to ride in Russia the coming summer. This is his third years abroad. Last year he rode in good form in Germany. He won many important races at the German tracks and had a great many followers. He is to ride for Count Lazareffe in Russia this season, as he did in 1908.

ANSWERS TO QUERIES.

Communications	without	names	and	addresses
will not be noticed	nor answ	rered.	No an	swers wil
be sent by mail and	l none by	wire u	mless	reply pre

L. P., Toronto, Ont. Have no knowledge of the present location of Mr. Hugh Munro,

L. F. D., Chicago. The return from the first, on the odds you name, is \$4.71 from Folk and Alma Boy, \$10.88 from the other. R. R., Salt Lake City, Utah. Booger Red is not be holder of an American record. There is no such hing authentically as a "world's record."

L. H. G., Anaconda, Mont. In all, Squire Johnson started in twenty-six races, of which he won two, was second in eight, third in four and unplaced in twelve.

Becker, St. Louis, Mo. Only heard from inquiry today; 11 to 5 post was correct. Horse was heavily backed at last opportunity, going down from 13 to 5 to 11 to 5.

to 11 to 5.

O. K., Chicago. That day the second race was for two-year-olds, in which Sewell could not be entered. Obviously it was your intention to back Sewell for place in the race in which he was entered and if he had finished first or second, you would have been entitled to payment. As he did not do so, the bet lost.
